### Media Reports on Mining Claims

Shareholders are advised that the company is aware of current international media reports to the effect that the Government of Zimbabwe intend re-possessing a significant hectarage of mining claims held by the operating subsidiary, Zimbabwe Platinum Mines (Private) Limited, in terms of its Special Mining Lease.

Until such time that the company receives official notification of this from the regulatory authorities it is unable to make any further comment.

Shareholders will be kept informed of developments on this matter.
